National Science Center's Fort Discovery Presents:

# 2008 Summer Camps

Especially for rising 2<sup>nd</sup>—8<sup>th</sup> graders  
June 2008—July 2008

*~ Early Bird Registration Ends April 25<sup>th</sup>! ~*

Fort Discovery's summer camps make learning an unforgettable adventure that you just can't experience anywhere else! In one week of camp, the budding scientist can discover a dinosaur, travel into outer space or design a roller coaster. And that's just part of what makes this program outstanding! Various themes and activities allow children to experience something new each day. Blast off in Space and Rocketry Camp or get creative in I'm a Graphic Designer Camp. Explore the fascinating world of forensic science or push the limits of speed and power as you experiment with and race remote-controlled cars. Whatever your child's interest, Fort Discovery's summer camps will intrigue, entertain and enlighten. This is Smart Fun at its best! All camps are led by an expert team of facilitators at Fort Discovery and are designed for rising 2<sup>nd</sup>-8<sup>th</sup> graders. Every year the camps offer the widest variety of awesome adventures in town. Come join us this summer at the SMART place to have FUN!
