FOR IMMEDIATE RELEASE

**CONQUEST OF DARKNESS EXHIBIT TO REMAIN OPEN
THROUGH JANUARY 2000**

AUGUSTA, GA. -- Visitors to the National Science Center's Fort Discovery will be able to tour the CONQUEST OF DARKNESS exhibit through the end of January 2000.

This popular exhibit, designed for Fort Discovery by the Night Vision Labs of the U.S. Army, educates visitors about the technologies used in night vision instruments, thermal imaging technology and land mine detection . . . and how that technology has been adapted for use in non-military situations.

CONQUEST OF DARKNESS is located in the Knox Gallery inside Fort Discovery and tours are given during regular operating hours, Monday - Saturday, 10 a.m. - 5 p.m. and Sunday, Noon - 5 p.m. For more information call 706-821-0200 or visit our web site at www.NationalScienceCenter.org.
