Today! Annual Richmond County Elementary Mathematics Competition

Augusta, GA ~

Over 250 Richmond County elementary MATHLETES will be competing at the annual **Richmond County Elementary Mathematics Competition** at **National Science Center's Fort Discovery** today ~ **Friday, March 6, 2009**.

The competition has 3 parts: a written test, a problem solving event and a strategy event (Challenge 24).

The schedule for the event follows:

10:00 - 10:45	Written Test
11:00 - 12:00	Problem Solving and Strategy(Challenge 24)
12:00 - 1:00	Lunch
1:00 - 1:30	Awards

Students will be vying for the championship trophy as they show their love and enthusiasm for their favorite subject - MATH!
