For Immediate Release

**NATIONAL SCIENCE CENTER'S FORT DISCOVERY CELEBRATES
NATIONAL ENGINEERS WEEK -- FEBRUARY 17 – 23, 2003**

In celebration of National Engineers Week, the National Science Center's Fort Discovery has planned events throughout the week of February 17 – 23, 2003. Careers in engineering will be the focal point of activities.

Information booths, hand outs and hands-on exhibits highlighting the fields of Chemical, Civil, Electrical and Mechanical will take place in the Knox Gallery.

PowerStation demos will also incorporate Chemical, Civil, Electrical and Mechanical Engineering topics into programming. PowerStation demos are held Monday – Saturday at 11:30 a.m., 1:30 p.m. and 3:30 p.m.; Sunday at 1:30 p.m. and 3:30 p.m.

To find out more about National Engineers Week contact Dr. Chip Schuster at 706-821-0206 or schuster@nscdiscovery.org.
