FOR IMMEDIATE RELEASE

**FORT DISCOVERY CELEBRATES
NATIONAL MATH AWARENESS MONTH**

Augusta, GA -- Celebrating National Math Awareness Month in April, the National Science Center's Fort Discovery will offer a variety of math-related exhibits and activities during the entire month.

The Puzzle Palace, exhibits consisting of Coin Toss, Probability, Basketball, Pyramid, Topology, Math Triangle Puzzle, Math Rectangle Puzzle and the Roman Arch, will be located in the Robotics Gallery on the first floor.

Special activity tables, which will be setup on both floors of the science center, will include Origami, Stick Puzzles, Tangrams, Symmetry and Soma Cubes.

Math Awareness Month exhibits and activities are FREE with paid general admission -- \$8.00 for adults; \$6.00 for children, seniors and active military.

Operating hours for Fort Discovery are 10 a.m. - 5 p.m., Monday - Saturday and Noon - 5 on Sunday.

For more information call Fort Discovery at 706-821-0200 or 800-325-5445.

Visit Fort Discovery soon . . . it's the smart place to have fun!
