April 20, 2009

For Immediate Release

Students ages 14 and older are invited to apply today to become volunteers at National Science Center's Fort Discovery over the summer!

Teens interested in science, math and working with children are encouraged to fill out the attached application and have their parent/guardian fill out the release form.

**Forms can be faxed to Paige Tom, NSC, at (706) 821-0269, emailed to tomp@nscdiscovery.org or mailed/dropped off at:
National Science Center's
Fort Discovery
One Seventh Street
Augusta, GA 30901**

**Enjoy summer with friends at
"The Smart Place to Have Fun!"**
